

AL Biology Field Study Courses Reminder

1. If the number of students changed, inform Ho Koon & TKTORC as soon as possible.
2. Download and photocopy the relevant handout beforehand.
(http://www.hokoon.edu.hk/bio_al)
3. Make sure that students have gone through the handout and have enough background knowledge.
4. Students should have adequate and correct psychological preparation.
5. Bring mosquito repellent (organic spray type not recommended).
6. Students may bring their own notebook computers for presentation purpose and digital camera. Ho Koon only provides computers installed with Macintosh softwares.
7. Students should prepare proper clothing. Trousers, canvas shoes with adequate tread, rain coat. Slippers and shorts are not recommended for field work.
8. Teacher should accompany students at all time during the course.
9. All participants must arrive TKTORC at or before 9:00am (8:15 am at Tsuen Wan MTR). All participants must arrive Ho Koon at or before 9:30am. For 1-day course, participants should arrive at or before 9:00am.
10. Transportation to Ho Koon and away from Ho Koon should be arranged by participants.
11. Transportation fee for going to field site is shared by participating students.
 - Stream : \$500 or \$600 (with air-conditioning)
 - Mangrove : \$800 or \$900 (with air-conditioning)
 - Seashore : \$800 or \$900 (with air-conditioning)
 - Woodland : \$500 or \$600 (with air-conditioning)
 - Scrubland : Free
 - Grassland : Free
 - Lichen : \$700 or \$800 (with air-conditioning)
12. Remind students to complete and sign the temperature record sheet as usual and their school teachers are responsible for inspection.
